

*Third Grade*  
*Spring Picnic in our Garden!*

Friday, May 10th

10 am

Learning Commons

In conjunction with Field Day, please join us to hear from landscape architect, Heather Moll-Dunn as she presents our comprehensive plan for Rocky Mount's landscaping. She has collaborated with our third graders to create a sustainable Georgia eco-system for our school grounds.

After the presentation, please join us in the garden space to further explore our growing plans. Our gardens will be an integral part of our STEM learning in the years to come!

Please bring a blanket, a lunch, and enjoy some time with your child and friends before Field Day.
